

Chaffee Landfill | Waste Management Site 1174 | Safety Rules

1. Landfill Hours of Operation: 7AM-4PM Monday-Friday. No trucks on site prior to 6:45AM by permit.
2. A signed release must be on file for persons entering the landfill.
3. All vehicles must comply with local and State regulations. Drivers must be licensed. NO EXCEPTIONS.
4. For your safety, persons under the age of 18 are *not* permitted to enter the working face area. Please wait in the lobby at the main office.
5. Seatbelts use is mandatory whenever a vehicle is in motion.
6. All vehicles entering the landfill are subject to WM overweight policy. Ask Scale operator for details.
7. Loads must be properly secured and covered with a tarp before entering the site.
8. Do not remove your tarp or loosen turnbuckles prior to pulling on scales.
9. Before driving on scales, stop at stop sign and wait until preceding truck is completely off scale. Enter scales at 5 MPH. Do not block side roads or main entrance.
10. Site speed limit is 10 MPH.
11. The use of cell phones, hands free devices, and two-way radios is prohibited while operating a vehicle at this site.
12. Tarps and turnbuckles need to be removed on the landfill access road or in the turn around area prior to backing into the "Active Area". Please do not remove your tarp on paved roads.
13. Smoking is prohibited in the landfill.
14. Hard hats and reflective/high visibility vests are required and must be worn outside the vehicle.
15. Landfill uses CB channel 23 or company handheld Nextel. Always follow instructions of scale operator and equipment operator, especially when entering the active area.
16. Observe and comply with site signage.
17. Landfill equipment always has the right of way.
18. WM will scrape out a load only when an approval is on file from the company in question.
19. Before leaving the "Active Area", all debris must be removed from your vehicle. (Do not "sweep out" transfer trailers while it is still unloading). Must lock and chain tailgate before leaving active site.
20. Before exiting the landfill, drivers must check the vehicle undercarriage for fluid leaks. Ask attendant for a copy of the policy.
21. Salvaging is strictly prohibited.
22. Drivers must check their dual wheels *after* weighing out. Please pull off to the side of the road prior to leaving the site and ensure that the wheels are free of stones, rocks, garbage, papers, or any debris, prior to entering Route 16. Debris on Route 16 will not be tolerated.
23. Speeding through nearby towns, particularly Arcade NY, will not be tolerated. Chaffee Courier Road is not a truck route and should not be used by waste haulers.
24. Drivers must remain within 6 feet from their vehicle while in the working face area.

Failure to comply with site rules may result in being banned from the WM Chaffee Landfill.
